

New England 4-H Horse Virtual Trivia Challenge

New England 4-H
Horse Program

July 23,
2020
7 PM

Here is a great opportunity for 4-H horse project members to show off their Horse Trivia knowledge! In just a few quick steps you can sign up to participate in our Virtual Trivia Challenge.

Open to all registered 4-H members in New England, recommended for 12-18 year olds.

REGISTRATION
INFORMATION

Step 1: Register for Quizizz as a student (its FREE)– you can follow the directions at the link <https://quizizz.zendesk.com/hc/en-us/articles/360027855392-Signing-up-as-a-student>

Once you have an account and a user name go to Step 2

Step 2: Go to this link <https://blog.extension.uconn.edu/4-h-horse-trivia/> and fill out the 4-H form to join us on the virtual trivia challenge. This is important because our host Marc will send you an email with a special link to play the trivia challenge on trivia day.

Step 3: Watch your email on the day of the challenge. It's important to note you cannot be late and still join. It's better to join 10 minutes early and wait for the start than to jump on 10 seconds late and miss out of the fun.

We will recognize the top 5 individuals in each state and the top 10 in New England with placing posts and share them on social media.
